

Thousand Islands Decoy Collectors Association

March 2, 2019

2019 Presentation:

- Robert J. Belyea
- L. Robert and Robert G. Hunter
- Robert Gove and family
- very briefly – Ted Denny
- Coming Events / Shows

I would like to encourage people to speak-up during the meeting:

- If you have questions or need clarification
- If you have knowledge, insights, stories to add
- want to emphasize, we need help with uncovering more information – tips, leads, photographs, introductions to family members

Robert J. [Bob] Belyea

Potsdam, NY

(1922-2015)

- carver, woodworker
- collector - including vintage decoys
- builder of canoes

Robert James [Bob] Belyea:

- Born in Massena May 9, 1922 to Dr. Leonard and Ruth Balch Belyea.
- Family moved to Potsdam when he was age 10.
- After high school he joined the Army Air Corps; co-pilot B-24s, B-17s, and B-25s.
- Married Shirley Henrietta in 1944 just prior to being deployed to the Pacific theater (WW II).
- Worked a number of jobs, often as a manager: Racquette River Paper Co., Van Ness Hardware, carpenter, and SUNY Canton; retired in 1975.

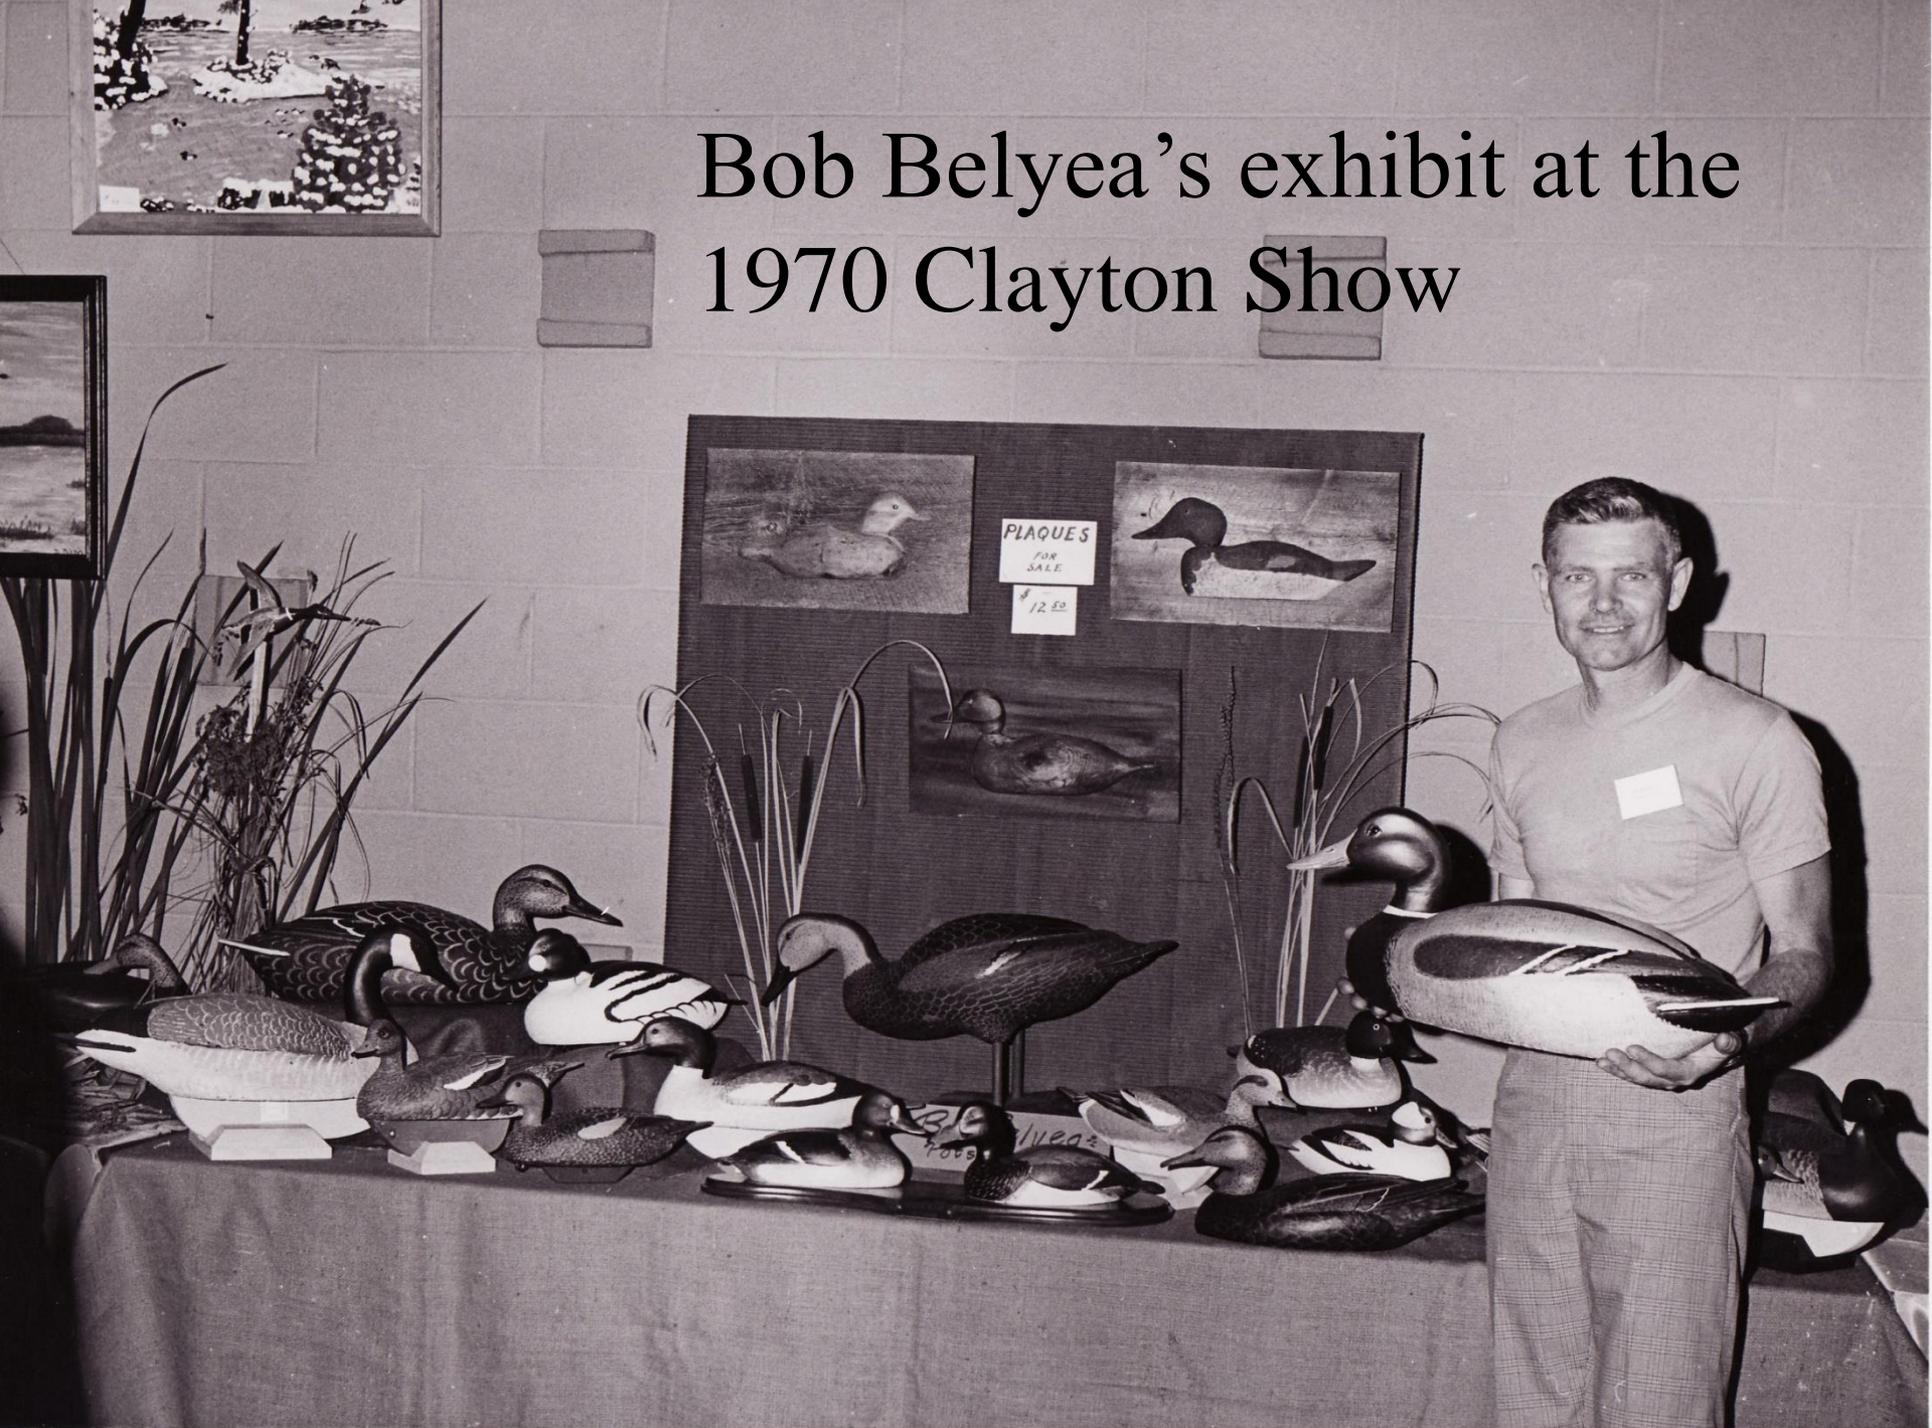

Bob during flight training in 1943

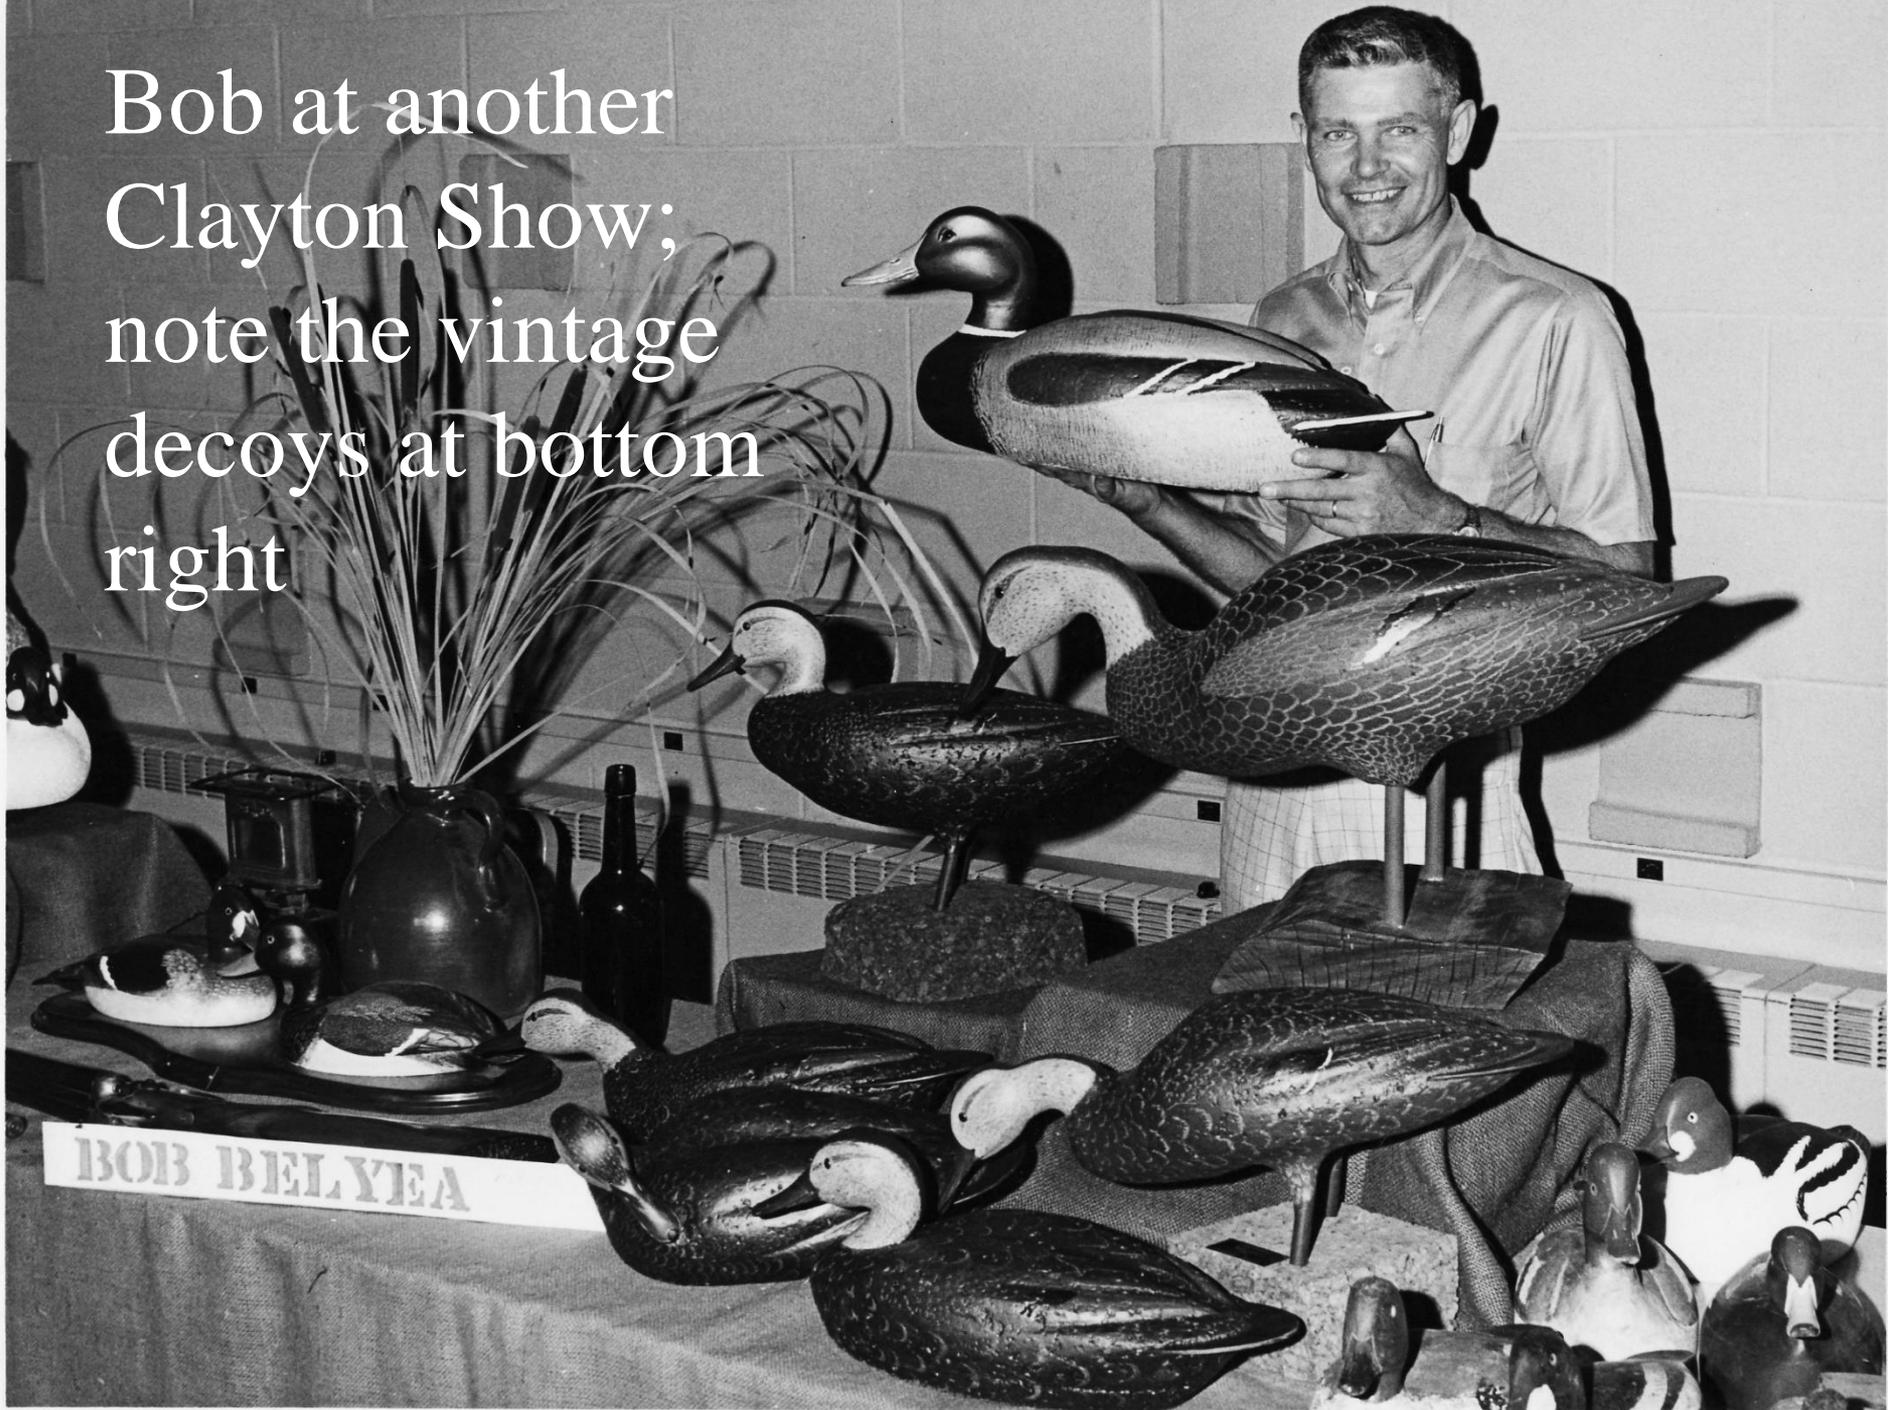

- Bob Belyea began carving decoys and various birds in the late 1950s. He entered a number of carving competitions in late 1960s and early 1970s.
- He was an exhibitor at the first three Clayton Decoy Shows (1969-1971); attended many others.
- Good friends with other carvers during this same time period such as Bob Kerr, Paul Burdette.
- Life-long passion for the outdoors and woodworking.
- Began building canoes in the early 1970s, completing about 30 in his lifetime.

- Bob and his wife Shirley were both collectors: vintage decoys, power line insulators, bottles, horns and antlers, fishing flies, powder horns, arrowheads.
- Bob sold his vintage decoys in the mid 1980s, most through the Julia and Guyette auction firm.
- Bob's vintage decoys included two excellent OP pairs by Chauncey Wheeler – magnum canvasbacks and life-size redheads.
- Bob died at his home in Potsdam on December 18, 2015, age 93.

Bob Belyea's exhibit at the 1970 Clayton Show

Bob at another
Clayton Show;
note the vintage
decoys at bottom
right

Lesser scaup pair by Bob Belyea

- Although Bob did not exhibit his carvings or enter competitions after 1971, he continued to carve throughout his life.
- Bob sold only a few of his decoys. He kept many, and gave others to family and friends.
- Bob's family recently consigned a number of his carvings to Blanchard's Auctions, Potsdam. They were sold in three auctions held in 2018 on August 10, November 24, and December 1.
- These auctions provided an opportunity, but a fleeting one, to document his range of carvings.

Leslie Robert (Robert) Hunter

Hammond, NY

(1919-1986)

and his son

Robert Gordon (Bob) Hunter

Chaumont, NY

(1948-2015)

Gary Hunter and his grandfather, James G. Hunter. Gary provided most of the information for this section.

The family farm was located on Chippewa Creek, about 1.5 miles above Chippewa Bay, providing abundant hunting, fishing, and trapping opportunities.

L. Robert Hunter:

- Born February 25, 1919, to James G. and Bernice Lennox Hunter, Hammond, NY.
- Graduated from Hammond High School in 1937.
- Married Dorothy Aznoe on June 15, 1941. They had two sons, Robert G. and Gary.
- Robert operated EJ Nobel farm on Wellesley Island from the late 1930s until early 1940s, when he began operating the family farm on Pleasant Valley Road, Hammond, NY.

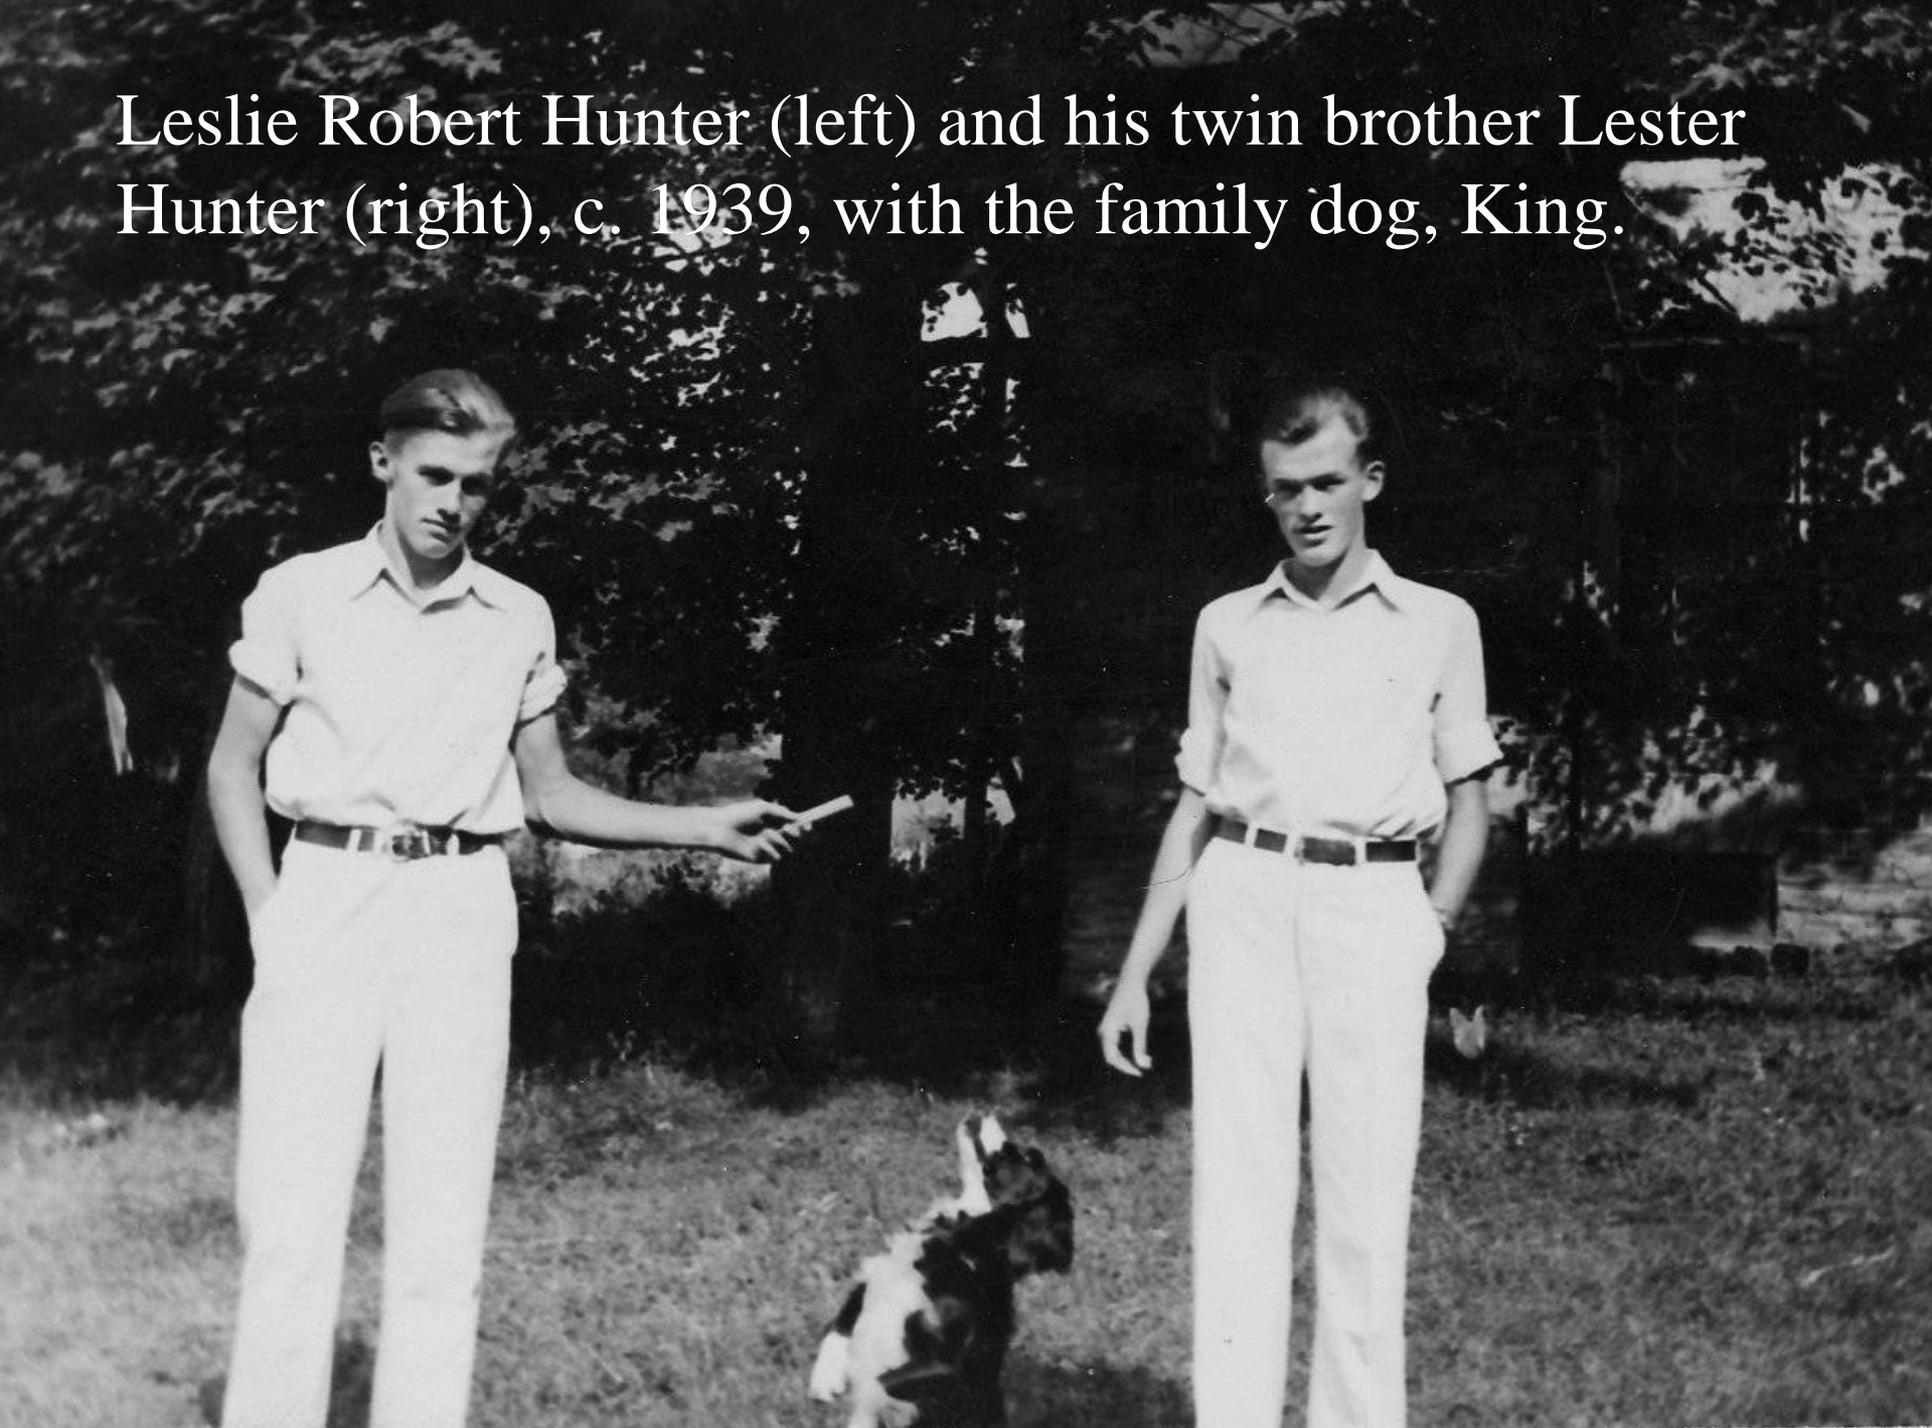

- He was also a carpenter, and a substitute mail carrier.
- Robert's first name was Leslie, and he had a twin brother Lester. Due to the similarities in the names their mail was often confused, so he discontinued using Leslie as a young man and began using Robert.
- His obituary noted, "he was an avid decoy duck carver." Gary estimated he made 500-800.
- Most of his decoy carving was done after 1974.

- Sold a lot of his work at a summer “flea market” near the Cape Vincent prison over a period of 10-12 years. He never exhibited at the Clayton Decoy Show.
- Robert enjoyed woodworking and made many things besides decoys; included many song birds, hundreds of bird houses, and miscellaneous folk art items. Many of his carvings were signed, using a variety of styles.
- Died May 29, 1986 in Alexandria Bay, age 67.

9&5/16" wide

Miniature gun cabinet by L. Robert Hunter, about 3&3/4" wide.

The four guns on the left were also by L. Robert Hunter; the one on the right by his son Gary Hunter.

L. Robert Hunter at the family farm with some of the feral mallards he kept, c. 1980.

Robert Gordon (Bob) Hunter:

- Born May 2, 1948 in Ogdensburg, son of Robert and Dorothy Hunter.
- Graduated from Hammond Central School, and Brockport University. He taught health at Watertown High School, retiring in 2003.
- Married Carol McAvoy on January 9, 1971, and together they had three sons.
- The family lived in Brownville for many years before retiring to a new home in Chaumont.

- Carol died December 29, 2012. Robert Gordon died September 19, 2015, age 67.
- Robert Gordon's obituary stated, "He was an avid hunter and fisherman and carved duck decoys and enjoyed his garden".
- His brother estimated that Robert G. carved less than 100 decoys. Some were unpainted, or partially colored with thin washes.
- Robert G. also carved some half flyers, and made at least six miniature duck boat with miniature decoys.

Robert Gordon
Hunter (1948-2015)

Robert G. Hunter carved into the
bottom

Drake Mallard by Bob Hunter – about 15” overall length

Loon by Bob Hunter, about 19&1/2" overall length, Robert G. Hunter carved into the bottom.

Half-size swan by Bob Hunter, about 23" overall length, Robert G. Hunter and 2004 carved into the bottom.

about 19&1/2" from bill tip to tail tip

R. Hunter carved into the bottom
[similar signature to many of his
father's decoys], about 15&1/2"
overall length.

Drake Canvasback by Robert G. Hunter

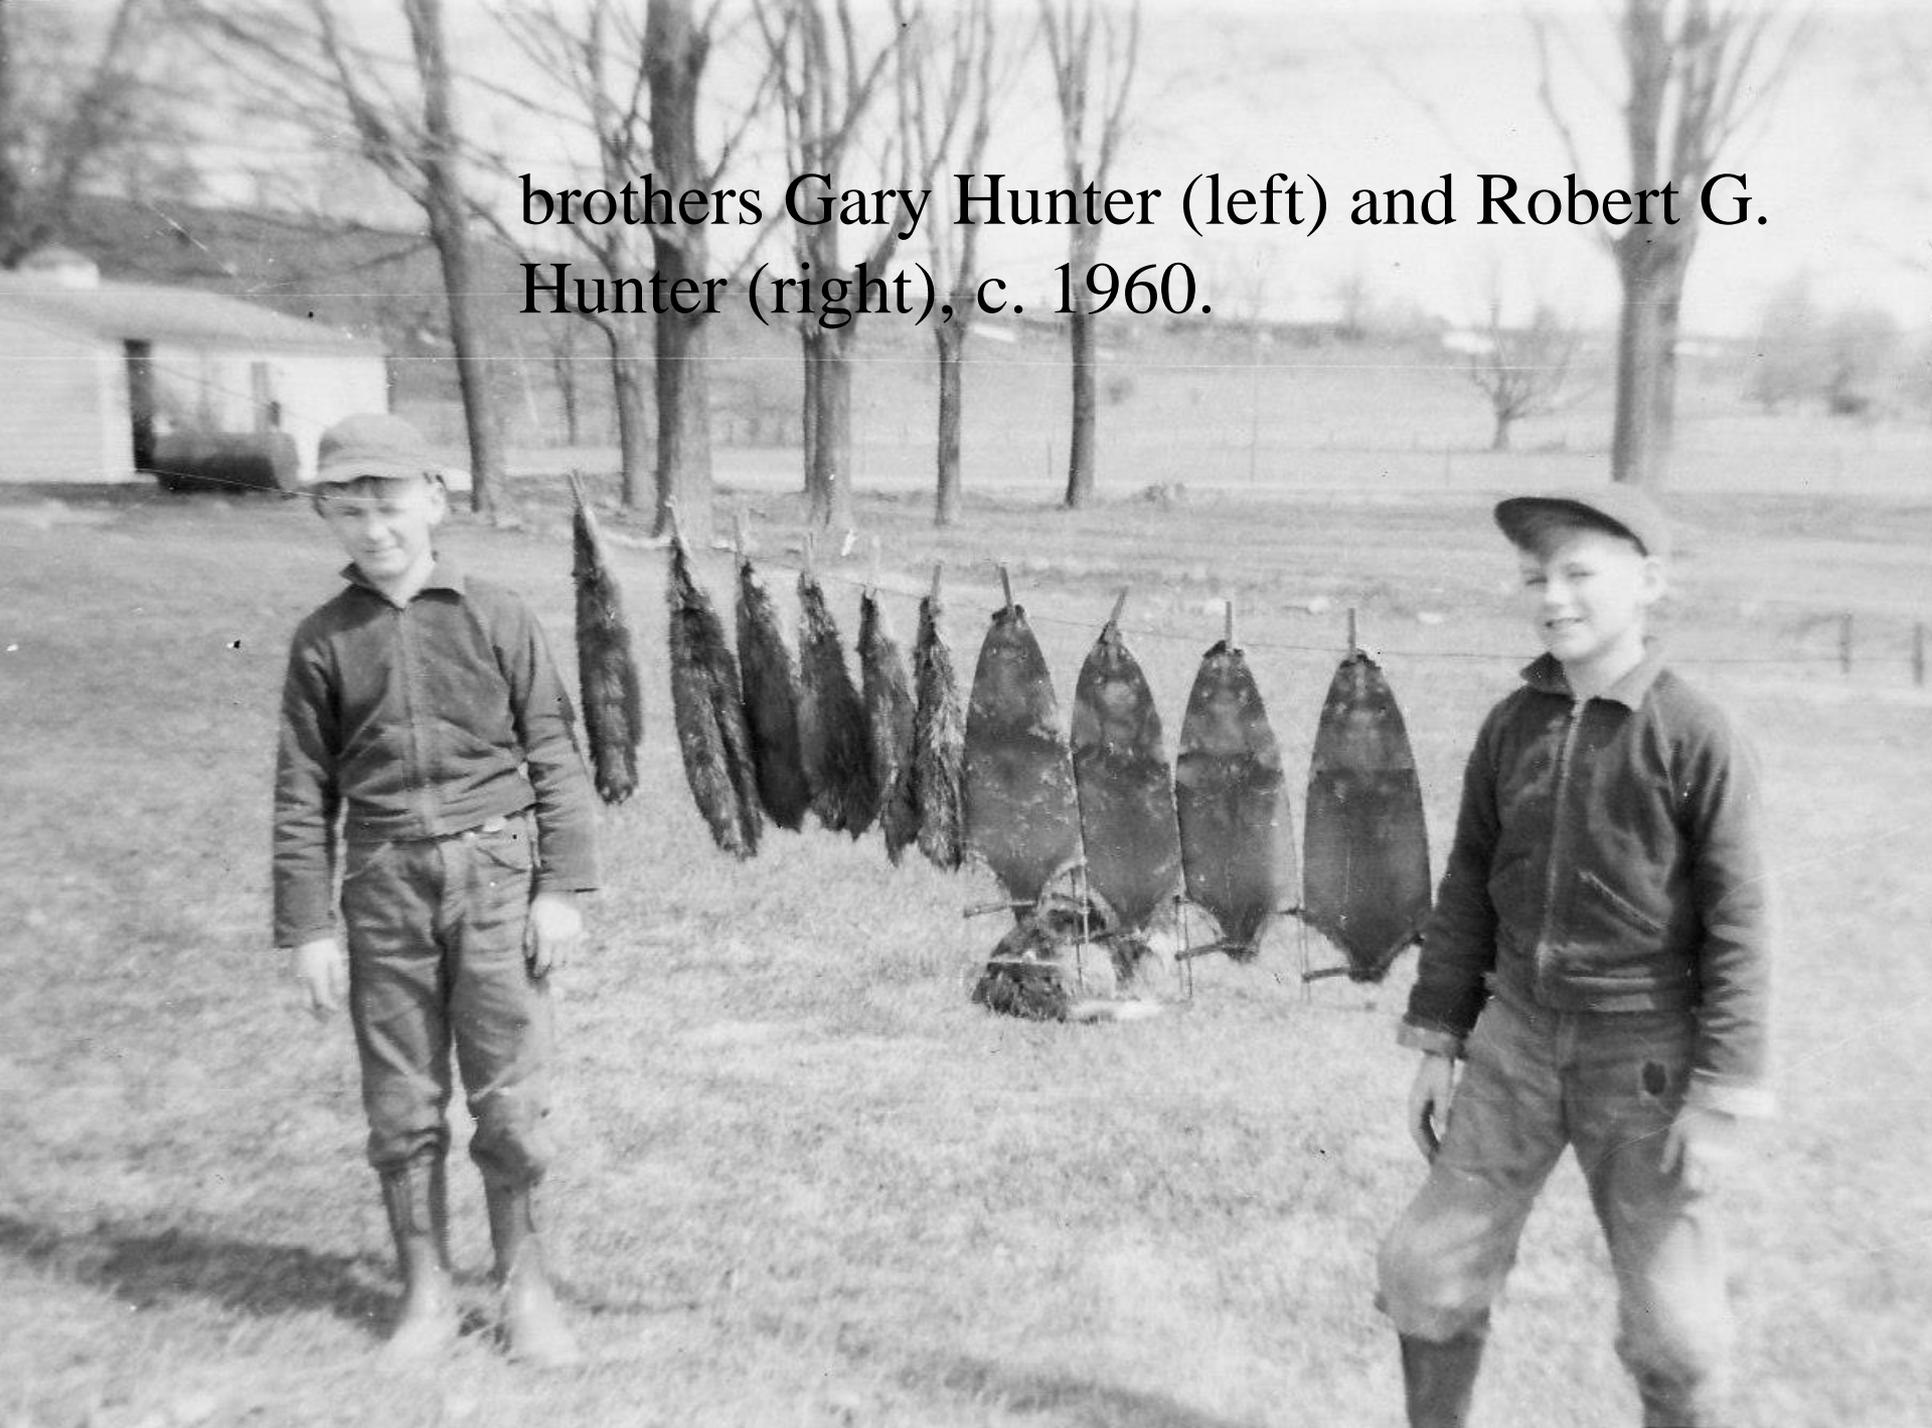

Half-flyers by Robert G. Hunter, all approx. half-size.

- Robert G. Hunter's family estimated that he made around 50 half-flyers. Some were life-size carvings, but most were about half life-size.
- He also made at least six miniature duck boats, with oars, decoys, guns, etc.

brothers Gary Hunter (left) and Robert G. Hunter (right), c. 1960.

brothers Robert G. Hunter

Gove family

Alexandria Bay
and
Chippewa Bay

Alanson E. and Sarah Patterson Gove

- Arthur E. Gove
 - Alton (decoys and miniatures [?])
 - Robert (decoys, carvings, paintings)
 - Ellis (decoys and miniatures [?], portraits)
 - Madeline
- Wilson T. Gove
 - three children: Arola, Margaret, and Carleton
 - ‘W.T. Gove’ on the bottom of Alex Bay decoy with Wheeler style paint [?]

Alanson E. Gove:

- Born August 15, 1856 in Dalton, WI.
- Family moved to Pamela Four Corners (just north of Watertown, NY, when he was age 2.
- His father was captured by Confederate Forces during the civil war; died in Andersonville prison camp.
- Married Sarah B. (Sadie) Patterson January 12, 1886.
- Family moved to Alexandria Bay around 1910.
- Operated a store selling dry goods, shoes, groceries, meat; assistant postmaster, and Justice of the Peace.
- Two children – Arthur E. Gove and Wilson T. Gove
- Alanson died May 17, 1941; age 84; Sadie died April 25, 1945, age 80.

Left:
Alanson E.
Gove

Right:
Arthur E.
Gove

Arthur E. Gove:

- Limited information on Arthurs' early life.
- Married Nellie Mae Marcott of Carthage on December 26, 1907.
- Their first two children, Alton and Robert, were born in West Carthage, but Arthur and his family typically associated with Alexandria Bay.
- Arthur was in navy during WW I crossing the Atlantic Ocean 21 times on the USS George Washington.
- Shortly after his discharge, Arthur and 4 other area men, were sent to Port Clinton, OH, to work on a large yacht. They were sleeping in a warehouse, where Arthur and two others were killed in a fire on April 16, 1920.
- Arthur's daughter Madeline was born July 25, 1920.

Madeline

Ellis

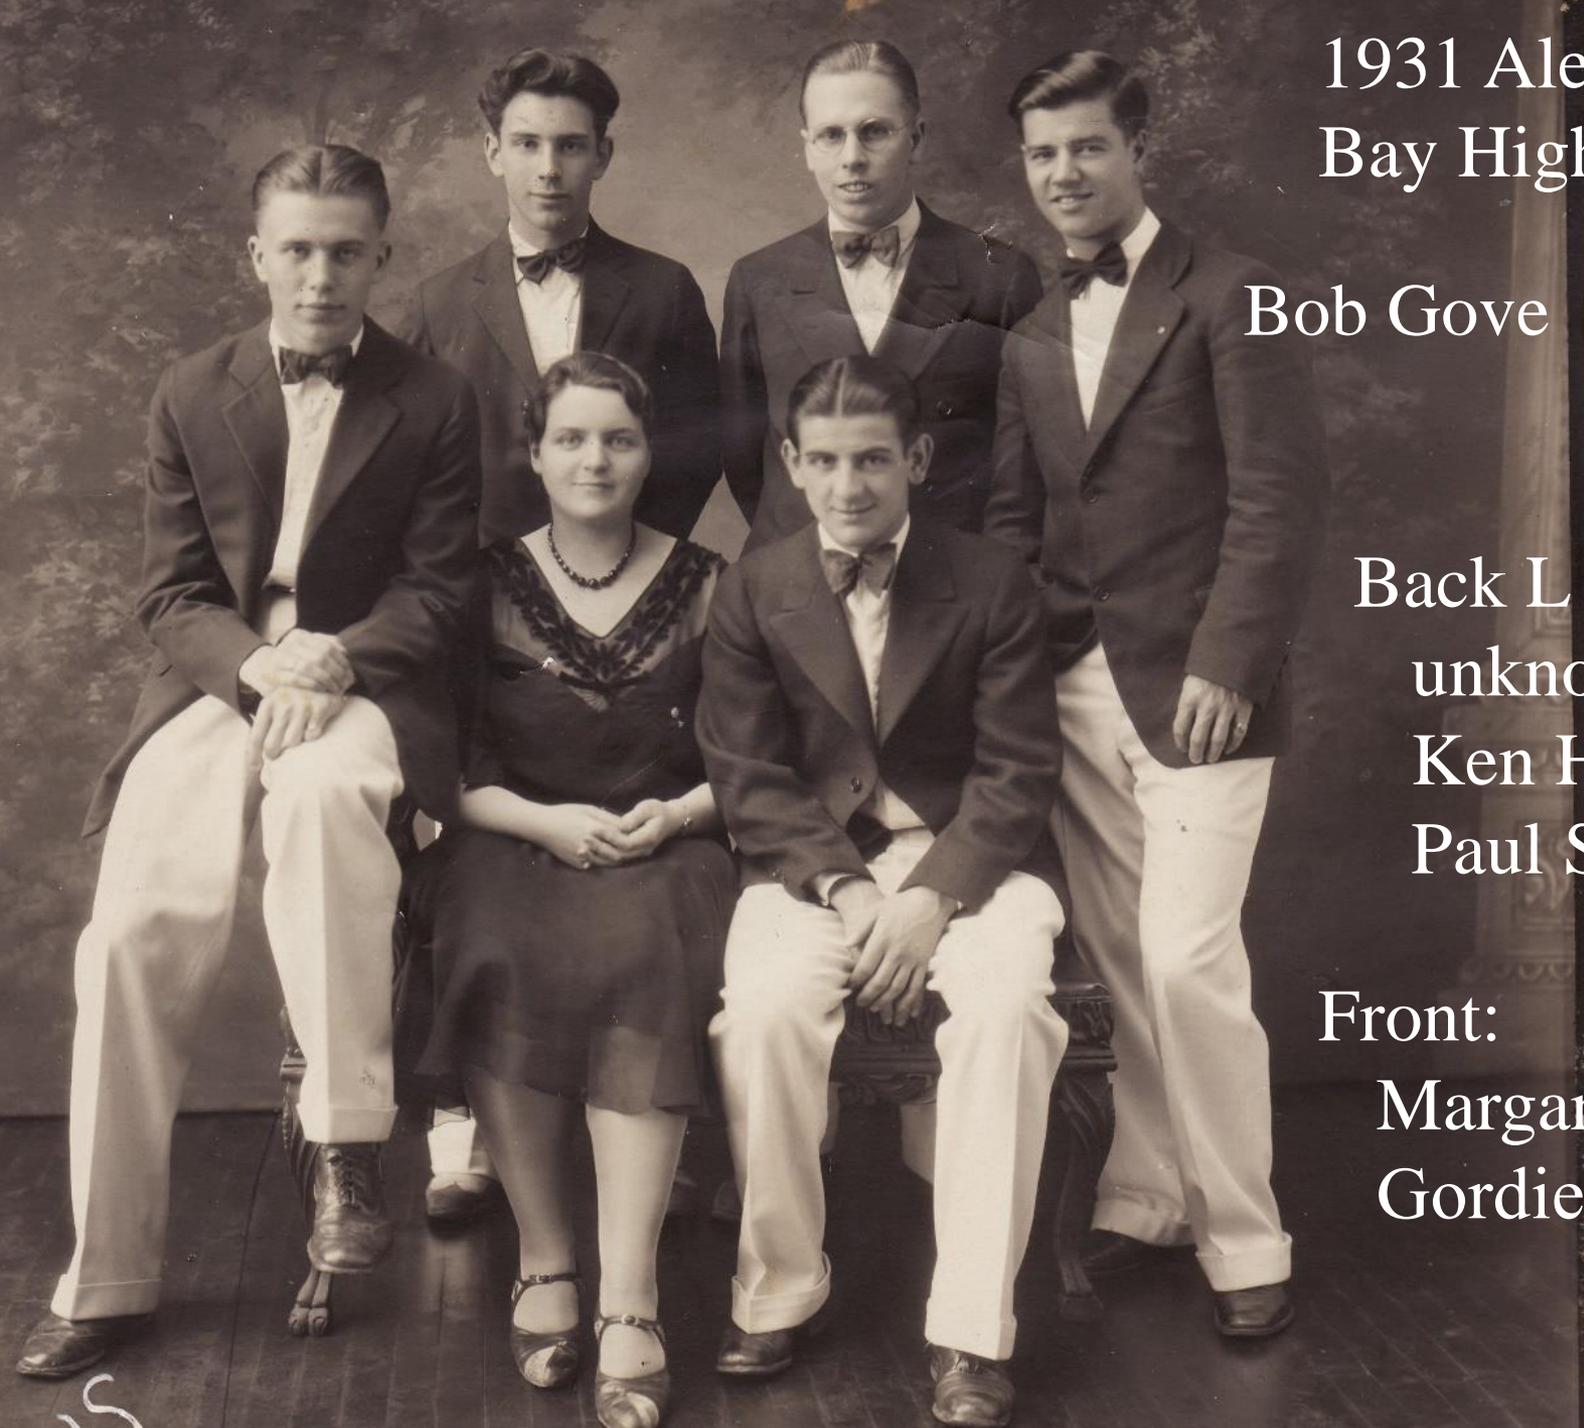

Robert

Nellie Mae (still in
mourning attire)

Robert Wilson (Bob) Gove:

- Born April 12, 1912 in West Carthage
- Graduated from Alexandria Bay High School in 1932.
- Married Gertrude Frost on November 2, 1935 in Rossie.
- Lived in Leraysville (Fort Drum) where Bob was a carpenter.
- Served in the Navy from 1944-1946, including time on Okinawa (drafted at age 32).
- After his discharge, they built a home in Chippewa Bay where they lived for 55 years.
- Bob and Gertrude had three daughters: Carole, Barbara, and Bonnie.

- He began work at Hutchinson's Boat Works in 1946; retired after 36 years as a "Master Boat Builder".
Worked on the 47-foot runabout "Pardon Me".
- Bob was an avid duck hunter; he did a lot of his hunting near his camp on Indian Chief Island.
- As noted in his obituary, "Bob was a woodcarver and carved detailed duck decoys". He carved a variety of miniature and decorative items, as well as his own hunting decoys. Carved several Indian heads, and a large totem pole. Also, painted a number of pictures,
- Bob built his own boat, named the Indian Chief, which was launched in 1957.
- Bob died July 7, 2002, age 90.

A black duck decoy is the central focus, resting on the seat of a wooden chair. The decoy has a dark, almost black body with intricate, light-colored comb markings on its wings and back. Its head is turned to the left, showing a green beak and a dark eye. The chair is made of light-colored wood with a curved backrest and decorative cast-iron hardware. In the background, a white turntable is partially visible.

A similar decoy was sold in
Nov. 1994 at the Guyette and
Schmidt auction

Black duck by Bob Gove

Comb markings visible under the paint

Bob branded a number of his decoys.

Bob's name branded into the bottom. Names or initials on the bottoms usually indicate ownership, and not necessarily who carved the decoy.

- Dennis (Duke) Slate grew up in Chippewa Bay directly across the street from Bob Gove. His father, Gerald Slate worked with Bob at Hutchinson's Boat Works.
- Bob taught Dennis to carve decoy heads about 1962. Gave him head blanks, a drawshave, and instructions.
- Although Dennis never hunted with Bob, he was quite familiar with his decoys; confirmed that the previous black duck was carved by Bob.
- Dennis stated that Bob made black duck, broadbill, and goldeneye hunting decoys. He thought he might also have made a few brant.
- Bob stopped hunting in the mid 1980s (?), and sold his gun and decoys.

Harry Senecal

Bob Gove

Gerald Slate

Bob Gove

Carole Gove McPhee

- Robert Wilson (Bob) Gove enjoyed wood carving, and produced many different decorative waterfowl, in addition to the working decoys in his hunting rig.
- He made both miniature and life-sized decoys, miniature standing waterfowl, and both double-wing and single-wing flyers.
- Many of his decoratives were signed using a variety of styles. Some were branded 'Bob Gove', apparently using the same brand used on the black duck hunting decoy previously shown.

Miniature drake wood duck, about 5"

watercolor by Bob Gove – signed and dated 1960

Alton E. Gove:

- Born October 17, 1908; 1st child of Arthur and Nellie Gove.
- 1927 graduate of Alexandria Bay High School.
- Operated a billiard room, and worked on Hoffman Construction Co. drill boat in the 1930s.
- Served in the Army Air Corps during WW II.
- After WW II he was primarily a fishing guide.
- It has been reported that Alton carved decoys, but I am unaware of any documented examples.
- Alton suffered from heart problems the last 5 years of his life, and died May 9, 1958; age 49.

Gordie O'Brien

Alton Gove

Ellis Cyril Gove:

- Born December 28, 1916 in Alexandria Bay; 3rd child of Arthur and Nellie Gove.
- 1936 graduate of Alexandria Bay High School
- Served Army Air Corps 1940-45.
- He was employed at Hutchinson's Boat Works.
- It has been reported that Ellis carved decoys, but I am unaware of any documented examples.
- Family members recalled that Ellis was quite artistic. He drew many portraits, sketching family, movie stars, politicians, etc.; and produced some wood carvings.
- Ellis drowned July 1, 1956, age 39, when his boat capsized late at night while returning to camp.

Ellis C. Gove in his
Army Air Corps
Uniform, c. 1943

Ellis Gove (center), Gertrude Gove (far left – sister-in-law),
Madeline Millett (far right – sister), and nieces Bonnie Gove
(left center), Barbara Gove (right center), and Beverly Sue
Millett (center).

Wilson T. Gove

- Born April 18, 1893 in Pamelaia, the 2nd child of Alanson and Sarah (Sadie) Gove.
- Family moved to Alexandria Bay when he was young.
- As a young man he worked for the Standard Oil Co.
- Opened his own service station in the early 1920s, and then expanded to deliver fuel oil.
- In 1916, he married Florence Root, Rockford, ON, who died in 1922. In 1948, he married Gertrude Lauber.
- Active promoter and sponsor for hockey, baseball, and basketball.
- Died April 5, 1950, age 56.

Three vintage decoys: Chauncey Wheeler style carving, and Wheeler style paint.

All appear to be carved
by the same person.

Nos. 1 and 3 have
identical paint, while
no. 2 is a bit different.

Conclusions:

- Carved by an unidentified area maker.
- Probably painted by Chauncey Wheeler, although differences between no. 2, and nos. 1 and 3, suggest they were painted at different times.

What is the significance of these decoys in regard to our discussions of Gove decoys?

W.T. Gove written in pencil on the bottom of [2]:
Is this the Wilson T. Gove discussed 4 slides ago?
If so, did he carve it, or just own it?

Additional Gove family information needs:

- Examples of hunting decoy by Robert W. (Bob) Gove; especially any in original paint.
- Photographs of, and carvings and decoys by, Alton and Ellis Gove.
- Research on Wilson T. Gove, and potentially other family members, and their connection to some of the vintage decoys from the area.

Theodore Moses (Ted) Denny:

- Born December 8, 1902, died November 27, 1978; age 75. One of the sons of Samuel and Selina Denny.
- Hunting decoys have occasionally been attributed to Ted, and the family has always stated that he carved decoys, but nothing has been published about him.
- In 2015, a box was brought to the Clayton Decoy Show which contained Denny style black duck heads, decoy patterns, one of which was labeled T.M. Denny, and a block for holding decoys in a vise. This block had 2 large diameter holes ($1/2$ or $7/16$ "), on $3\&3/8$ " centers. In 2018 it was confirmed that this box had been purchased directly from Ted Denny's son-in-law.

In 2018, I also became aware of this hen broadbill that would typically be attributed to Samuel J. Denny.

Labels on the bottom attribute to decoy to Theodore Denny. The two plugs filling holes from the holding device, were measuring to be on $3\frac{7}{16}$ " centers.

- Based on the accumulated information, it seems quite certain that the pictured hen broadbill was carved by Ted Denny.
- Other virtually identical broadbills, with the same type of ballast weight, have been documented from auction and eBay sales.
- We need to reassess the decoys in our collections, paying particular attention to the distances between the two holding device plugs. Ted Denny decoys would be expected to measure $3\frac{3}{8}$ " on their centers, plus or minus $\frac{1}{16}$ ". Sam Denny decoys typically measure $2\frac{5}{8}$ " on their centers, plus or minus $\frac{1}{16}$ ".

Upcoming Events and Shows

- March 9-10: Ohio Decoy Collectors & Carvers Association , Strongsville, OH
- March 14-16: Great Lakes Decoy Association Collectors Event, Westlake, OH
- April 6: New Jersey Decoy Collectors Show, Galloway, NJ
- April 7: Frank & Frank Auction, Neptune, NJ
- April 11-13: East Coast Decoy Collectors, St. Michaels, MD

- April 23-27: Midwest Decoy Collectors Show, and Guyette Auction, St. Charles, IL
- April 26-28: Ward World Championship Competition, Ocean City, MD
- May 3-5: Havre de Grace Decoy & Wildlife Art Festival, Havre de Grace, MD
- July 19-20: Annual Decoy/Wildlife Art & Sporting Collectibles Show, Clayton, NY, 51th Show

- TIDCA Decoy Display: Thousand Islands black ducks and mallards
- TIDCA Contests (Friday, 7/19):
 - Kingston and Wolfe Island – pre 1980
 - any species of goose or brant – pre 1980
 - favorite vintage decoy – pre 1960(assistance with the contest would be appreciated)
- Auction (Friday, 7/19, 1:00 PM):

2020 Spring TIDCA Meeting

Saturday, March 7
